What your gift means to a student...

"It is quite possible that I learned as much at Birch Creek in two weeks as I had in my previous six years as a percussionist. The great teachings and hands-on learning has made me more efficient at practice as well as in my school studies.

"I do not know you, but I assume that you are a music lover and I hope that you are able to attend a Birch Creek concert. I am sure that you get satisfaction from your donation knowing that it is for a great cause...and from my extreme gratitude."

- Tyler Pelt, 2007 Percussion & Steel Band Student
