Corporate sponsorships are being sought for each session, therefore multiple sponsorships for each concert are possible. The sponsor may share costs with another organization, or Birch Creek may schedule more than one sponsor each evening. The above sponsorship plans may be adjusted to fit the needs of an interested sponsor. For example, some corporations have preferred to sponsor four Thursdays or three Fridays, etc.

Birch Creek is a 501(c)(3) non-profit corporation.
Sponsorships may be tax deductible to the extent permitted by law.
Thanks for your support!
