

CORONAVIRUS MESSAGE FROM MONA CHRISTENSEN

March 12, 2020

Greetings musical friends,

All of us at Birch Creek are looking forward to an exceptional, music-filled 2020 summer season. If you have already or you are in the process of making plans for a summer session at Birch Creek, know that we will do everything possible to make this summer the best yet!

Because of concerns over the Coronavirus, COVID-19, we would like to assure you that we are in close contact with our local public health officials, as well as seeking advice from our state agencies. We will be keeping our staff, students, parents and faculty apprised of any issues that could affect the Birch Creek experience.

We will be taking extra precautions such as adding 30 additional sanitation dispensers around the campus, enforcing diligent cleaning procedures, providing education for our students and faculty when sharing instruments and increased training with our health staff. Because we are licensed by the State of Wisconsin and have access to a consulting physician, we will continue to rely on these important partnerships for the health and safety of all of our Birch Creek family members.

For additional peace of mind, you may wish to add camper insurance to your summer plans, available through UltraCamp, our academy software company. If you would like more information about this option, please contact us.

For more local information please see the following links:

We look forward to working with you this summer!

Musically yours,

Mona Christensen, Executive Director
The Steve and Jackie Kane Chair
