A lifetime of music begins with you

In this rapidly-changing world of ours, we are thankful for the constants, and one of those constants is the Birch Creek Endowment. The sub-funds of our leading donors play an important role in providing a predictable financial basis for funding capital projects, educational programs, day-to-day operations and scholarships.

To encourage growth and offset market fluctuations, the Board has taken steps to ease pressures on disbursements from the Endowment for the next several years. The generosity of our donors also makes endowment growth possible. If you would like to make a 2016 contribution, please call us at 920-868-3763 or make a gift online at birchcreek.org/support.

2016 contributions received by May 1 will be listed in Birch Creek's Program Book; thereafter, in the nightly program insert
