2018 contributions received by April 30 will be listed in Birch Creek's Program Book; thereafter, in the nightly concert program.

YOUR SUPPORT

When the Birch Creek Endowment was created in 2000, a lasting legacy began that continues to play an important role in providing student scholarships (Scholarships Forever Fund), serving as a predictable financial basis for funding Birch Creek's day-to-day operations (Now and Forever Fund), attracting and keeping the finest faculty, teaching assistants and special performers (Lifetime for Education Fund), and contributing toward capital expenses (Building for Tomorrow Fund).

MAKING A DIFFERENCE

An Endowment sets aside funds for the future; as importantly, it is a hallmark of financial stability. In 2017, Birch Creek's combined Endowment reached **\$403,979**. Our goal—to reach \$2 million—is ambitious but indeed possible through the generosity of our donors.
