Five Year Endowment Growth

Funds in the Endowment

If you wish to contribute to the Endowment, gifts received by 4/30/19 will be recognized in the 2019 Program Book; thereafter in the nightly concert program.

Your Support

To our donors: In our ever-changing world, there are constants upon which Birch Creek relies: the ability for us to provide opportunities for promising young musicians seeking careers in music, and the belief in Birch Creek's mission by our friends and donors. Gifts each year add to the growth of Endowment principal.

As the Endowment grows, so does Birch Creek's capacity to use earnings in support of Birch Creek students. In 2018, earnings helped to underwrite three scholarships, support the repairs on a second generator installed as part of our emergency preparedness plan, supplement the Play It Forward Annual Fund for operations, and play a small part in supporting faculty salaries.
